About the Music

Morning is one of the most spectacular times of the day. With it comes many glorious sounds of nature and the brilliant rays of sunlight. It can be a time of peace and quiet or a fast-paced jump start into the day. I have learned to enjoy these morning moments—they often set the tone for my entire day.

Morning Lights is a tribute to one summer morning when I woke from a deep and satisfying sleep. I heard the sound of countless birds and saw the most magnificent sky, parting for the sun to make its grand appearance—and thus, the emergence of the morning lights.
