

One-Octave Harmonic Minor Scales

Major scales have this pattern of whole steps (W) and half steps (H):

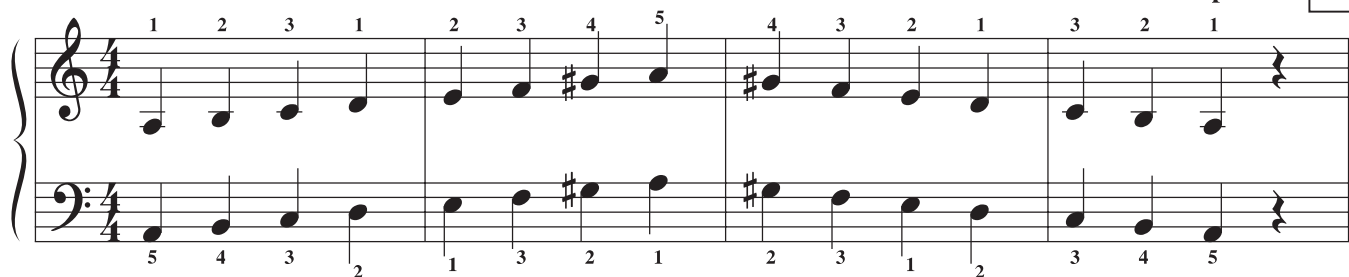

W H W W H 1½ H

Practice Tips:

- Practice hands alone, then together.
- Pay special attention to the movement of the thumb in each hand.
- Speed is not as important as playing *legato* (smooth and connected).
- Keep your fingers curved and relaxed.
- Explore different dynamics: *f* *mf* *p*
