## PROGRAM NOTES

Commissioned by the Bowling Green State University Band Alumni Association, *All the Earth and Air* was written in honor of Dr. Bruce Moss and his 30th anniversary as Director of Bands at BGSU.

In writing a work that celebrates Dr. Moss' significant and lasting contributions to music education, I chose to delve into his early years, rooted in the picturesque landscapes of Kingsport, Tennessee. While traditionally structured in ABA form, my goal was to provide a dynamic exploration of the vivacious spirit and introspective depth he is known for.

An intriguing aspect of the work is the thematic connection to ZIP codes, deriving inspiration from Kingsport, TN and Bowling Green, OH. These motives are interwoven throughout the piece, serving as the foundations for the majority of melodic material and reflecting Dr. Moss' clever and memorable fascination with numbers and places.

The title *All the Earth and Air* draws inspiration from the Percy Bysshe Shelley poem, "To a Skylark." Much like the skylark's music encompassing the vast expanse of the sky, the resonant echo of Dr. Moss' boundless influence continues to permeate the lives of his colleagues and former students.

## PERCUSSION NOTES

The percussion instrumentation calls for both traditional Wind Chimes and "Patio Chimes". It is preferred that the patio chimes be made out of some form of metal- not wood. The chimes should also be large enough to be audible, yet not so large that they only emit lower pitches. The more pitches on the chime set, the less likely it will be to distract from the surrounding harmonies. In the absence of patio chimes, wind chimes may be used as a substitution for the patio chimes passages.

*“...for Dr. Bruce Moss”*

## Yes, you can photocopy parts!

With the legal purchase of any piece published by Tyler S. Grant Music Works, LLC, you are granted a limited license to photocopy parts for your students.

Some restrictions apply.

### **May I photocopy instrumental parts for my ensemble's unique instrumentation?**

Yes! I completely understand that each ensemble will vary in their needs for instrumental parts. Parts occasionally go missing, as well. As long as the photocopies stay within your school/organization, you may photocopy as reasonably needed!

### **I am performing your work at an adjudicated performance and will need extra conductor scores!**

### **May I copy those for the adjudicators to use?**

No. While instrumental parts may be photocopied for ensemble use as described above, conductor's scores may not be photocopied. Additional scores can be purchased from my website or through an authorized retailer.

### **May I upload PDFs of the instrumental parts to a secured online platform for our musicians to access?**

Yes! However, the online platform you use must be password protected and inaccessible to anyone outside of your school/organization. My team frequently conducts checks online and will demand any uploaded images or files that do not follow this guideline be removed immediately.

### **May I duplicate the sheet music and give it to another individual, school, or organization?**

Absolutely not. Duplicating and distributing music (including unlicensed photocopying and digital duplication) without permission is a blatant disregard and violation of U.S. Copyright Law. Such instances will be investigated and prosecuted to the full extent of United States & International Copyright Law.

### **May I create not-for-profit audio/video recordings of your pieces and share them on social media and other websites?**

Certainly! As a matter of fact, I love searching for performances of my music online and greatly appreciate you sharing it with others! If you need licensing and permissions for a for-profit recording, please contact me through my website, [www.tylersgrant.com](http://www.tylersgrant.com).

### **I have more questions! What should I do?**

Contact me through my website. I am always happy to answer your questions!

Thank you for following these guidelines! Copyright is not meant to be scary or intimidating; it's the only way composers and arrangers protect their intellectual property. Your purchase helps support my entire team. Many publishers have a different set of guidelines for photocopying and duplicating their music. These guidelines are only for Tyler's music published through Tyler S. Grant Music Works, LLC.
